DEFENCES OF WASHINGTON.—The following field works are announced as comprising the defences of Washington:—Forts Carroll, Stanton, Baker, Mahan, Lincoln, Totten, Slocum, Stevens, Reno, Sumner, Foote, Lyon, Ellsworth, Worth, Ward, Richardson, McPherson, Whipple, Morton, C. F. Smith, Ethan Allen; Redoubts Weed, Farnsworth and O'Rourke; and Battery Rodgers. All other forts, batteries, and block houses of the defences of Washington, will be at once dismantled, excepting Fort Tillinghast and Fort Craig, which will be maintained until Fort McPherson, immediately in rear of the position occupied by them, is so far completed as to receive its armament.

Yesterday, Captain Lauffer, A. Q. M., in Washington, having learned that the barque Frank King, with forage from New York, was on her way up the river, to Washington, with a case of small pox on board, sent orders to the captain to land the patient in Alexandria. The Washington Chronicle says that Capt. J. M. Buck, A. Q. M. at Alexandria, indignant at this order, wrote to Capt. Lauffer, in plain terms, his opinion of the affair.

Rev. S. S. Rozsall, and ——— Waugh, of Loudoun county, were arrested one day last week by military authority, and taken to Harper's Ferry, upon the charge of using treasonable language in the pulpit. They were taken before Gen. Stevenson, by whom they were soon released.

It will gratify the many friends of the Rev. J. A. Duncan to learn that he is well and has been actively engaged in carrying on one of the largest revivals of religion ever known in the State of South Carolina. He is at present in Spartenburg, and will return to his labors in Richmond as soon as communication is open.

In the list of persons who have received pardons under the proclamation of the 29th of May, we notice the names of R. H. Stuart, King George county, Va., and Francis L. Smith, Alexandria, Va.

The schooner Moderator, Capt. Letz, arrived in Baltimore on Friday, for repairs, having been badly damaged by fire some days ago, whilst en route for this city.

Among the prisoners released from Fort Delaware, last Monday, were Daniel W. S. Knight and George L. Pritchett, of Alexandria, Va.

THE SOLDIER'S CEMETERY, near this place, is now handsomely improved, with gravelled walks, and flower pots, and will be adorned with a fountain, &c. It is well enclosed—the graves all sodded, and each one with a head board containing the name &c., of the deceased. We wish arrangements could at once be made to enclose the adjacent burying grounds and clean them up. Their present dilapidated condition is not a pleasant sight to our citizens.

The course of Gov. Peirpoint and the Legislature in Richmond, whilst it is manifestly giving satisfaction, so far, to the great majority of the people of the State, is much condemned by some of the Governor's former political friends, who object to the proposed modifications as to the franchise.

Mr. Slater continues to supply the market with the finest and largest cabbages that we have seen, at this time of the year.

Several boarders at the National Hotel, in Washington, have recently been robbed by hotel thieves. Mrs. Harlan, wife of the Secretary of the Interior, was robbed to the amount of \$3,000.
